## **WHY INTESOL IS CONSIDERED THE BEST**

INTESOL is proud to be working with our awarding body, ALAP (Awarding Language Acquisition for Professionals).

Head of Accreditation at ALAP, Paul Rogers:

“The world of education is often marred by questionable certification of academic courses. In order to differentiate between genuine, professional qualifications and those that are produced for commercial gain, it is essential that education companies provide accredited certification. Accreditation is the recognition by an external body that a course and/or training provider has met a certain set of standards and best practice. I am delighted to be associated with INTESOL as the company is an outstanding example of this best practice.”
